

AULA Heleus Gaming headset

AULA Heleus gaming headset is equipped with high performance 7.1 surround sound technology that builds great sound effects, real game experience, creates a feeling as if you are in the middle of a battlefield. By the way, the dedicated software will allow you to choose your own sound settings. The flexible noise canceling microphone will offer the clearest possible communication between teammates: no more miscommunication while attacking enemies. What is more, the adjustable headband will ensure extraordinary comfort. Add to that illuminated ear cups and you have a headset that looks as good as it performs.

Features

Virtual 7.1 Sound

Deeper and richer sound experience

Illuminated ear cups

Unique and stylish look

USB plug

One plug for everything, convenient and fits any computer

Flexible noise-cancelling microphone

Ideal for chatting with friends during the game

Comfort

Soft-headband and ear-cushions are pleasant to wear, auto-adjustable headband is a nice convenience since you don't have to adjust it manually

Dedicated software

You can choose 3D sound, EQ pre-sets and other settings for the headphones

AULA Heleus Gaming headset
